

Below is a list of services provided at the billing rate beginning September 2009.

**Consultation with School District at their place of business: \$150**

This can include brainstorming meetings, small staff training, curriculum development, teacher or aide training, attending IEP meetings or observation of the student in the class.

**Family Evaluation consultation review:**

The evaluation is NOT required prior to placement in a social thinking group.

**Average cost: \$ 275 (A written report is an additional fee)**

This fee includes:

- .5-hour reviewing reports and initial phone calls or emails
- 2.5-hour office visit to get to know your student's strengths and weaknesses, discuss concerns of the caregiver as they relate to home and school functioning, review educational plan, discuss modifications in treatment-plan options for treatment across environments.
- An informal assessment. Generally involves minimal or no use of standardized assessments. Amanda will use an informal assessment that has been developed by MGW that will explore the social and academic skills of the student. More information on the assessment can be found in the last chapter of the book, Thinking About You Thinking About Me, by Michelle Garcia Winner.
- Additional time over the 3.0-hour scheduled appointments will be billed at \$75.00/hour.

A \$75 non-refundable deposit is required to hold the appointment slot. The deposit will be applied to the final assessment cost. Initial family intakes do not include a written report. If a report is requested it is billed additionally at \$75 per hour.

**Post-Evaluation and Consultation time:**

**\$75.00/hour**

Includes report-writing (generally takes 2-4 hours), follow up meeting, attending the IEP meeting at the school. Travel will be billed at the hourly consultation rate. Telephone, email and other consultations over 15 minutes long with families and professionals working on the client's team will be billed to the family at the hourly consultation rate.

**Individual Therapy Services:**

**\$85.00/hour**

We have limited opening for individual therapy, especially during the after-school hours, since group therapy is priority.

**Weekly Therapy Groups:**

**Group Sessions**

**\$55.00/hour**

Group size is generally between 3-4 participants. The group consists of approximately 50 minutes of direct therapy for the student and 10 minutes of parent education each week. Our clinic staff goes above and beyond in coordinating the group placements. However, on some occasions students' initial placements are not successful. We will coordinate with you in this event.

**Small Group Session**

**\$70.00/hour**

Small group consist of only 2 students. The purpose of the small group is to accommodate the more unique needs of the students with very slow auditory processing, very weak ability to take perspective of others or have significant behavioral challenges. We prefer to serve students in the larger group size and will move your child to the larger group when we all feel it is an appropriate time. The group consists of approximately 50 minutes of direct therapy for the students and 10 minutes of parent education each week.
